RE: Participation in the Sumter County Health Plan

Dear Mrs. Hayward,

The Sumter County Board of County Commissioners appreciates the participation of your department in the Sumter County Health Plan. We view it not only as a means to gain the best economy of scale for the taxpayers but also as a showing of the consolidation of overhead issues.

In order to gain competitive pricing when we shop our health plan for an effective date of October 1, 2010 implementation it is imperative to gain formal direction from you whether you intend to stay with the Sumter County Health Plan. If there is any intention that you may leave the plan then we will unfortunately be required to submit a smaller group for pricing and lose the economy of scale.

We would greatly appreciate a formal response of your intentions by March 1, 2010.

Sincerely,

Doug Gilpin
Chairman
